RE: Court Grabbers

Dear Mr. McLaughlin,

We had an opportunity to evaluate the effects of Court Grabbers Traction Gel on several Hillyard wood gym floor finishes. When used as directed, Court Grabbers Traction Gel did not display any deleterious effects to any of the wood gym floor finishes tested.

Hillyard has always stressed the importance of a quality maintenance program, including well maintained walk off matting, dust mopping daily with a properly treated cotton dust mop, and periodic cleaning with an approved wood floor cleaner for good traction underfoot and to keep the floor looking its best.

Mr. McLaughlin, we appreciate the opportunity to evaluate your product. Feel free to contact me with any questions.

Sincerely,

Eric Meadows  
Technical Service Director
